ETO / HMIS Update

ETO is on.

<http://tchc.ETOSoftware.com>

Use ETO for all new clients and for adding participant and recording new information. Only ES scanning intakes and batch services should be using ClientTrack.

Pull all applicable reports out of ClientTrack for any needed documentation.

Data migration updates will happen this week.

ETO / HMIS Update

HOLIDAY RESOURCE GUIDE

Published on TCHC Member Page

<http://www.ahomewithhope.org/member-admin.aspx>

DO NOT print and distribute directly to clients.
This is meant to be a resource for Case
Managers.

Survey Results from Women's Connect

- Women are very unlikely to report abuse or assaults
- Emergency shelters provide significant safety against violence

SEE A COPY OF SURVEY at:
