

Dear _____,
(Name of Mayor, City Manager, City Council Member)

I write to ask that you do not cut funding to the **Directions Home** program. You and your colleagues have an extremely difficult task. I will hold you in prayer as you work to create a fair and effective budget for all the citizens of Fort Worth—including those whose lives are being significantly impacted by the programs funded through the **Directions Home** initiative.

Formerly homeless people are now being housed and connected to supportive services that are helping them move off the streets and toward self-sufficiency. This program saves far more city dollars than it spends. Please don't cut any percentage of funds for the services that directly serve the homeless and needy people of our community and benefit this city and county overall.

Sincerely,
