Report

The Improvement, Coordination, and Training (ICT) Committee met on June 30th. Key items discussed included the Quarterly Systems Performance Report, the HUD required expansion of Violence Against Women Act Housing Protections to all CoC and ESG funded programs, and plans for the FY2017 Continuum of Care Program competition including local competition forms.

Quarterly System Performance Reports

The Committee provided feedback on the content and presentation on the Quarterly Report.

Expanded Housing Protections

The Committee reviewed the HUD final rule that requires all CoC and ESG funded programs to extend housing protections and options as required in the Violence Against Women Act (VAWA) of 2013 and has recommended a policy to be adopted by the Continuum of Care Board of Directors.

FY2017 Continuum of Care Program Competition

The FY2017 Continuum of Care (CoC) Program Competition Notice of Funds Available (NOFA) is anticipated to be released sometime in Summer 2017. The Committee reviewed and provided feedback on the proposed local competition renewal project scorecard, project ranking policy and the grant reallocation policy.
