2015 Continuum of Care Program Competition Updates

The following information has been posted to the Tarrant County Homeless Coalition's Funding Opportunities webpage (<http://www.ahomewithhope.org/funding-opportunities/>):

- 1) Hyperlink to the **HUD webinar** on the 2015 competition
- 2) Updated **timeline** that includes planned dates for key competition deadlines
- 3) A **required** Intent to Renew Form (**due: 9/28/15 at 12pm** noon)

The Intent to Renew Form will provide TCHC with contact information for organizations that plan to apply for a renewal of an eligible, previously awarded grant. The form will also collect financial information about anticipated budgets that will enable TCHC to more accurately forecast the funds that will be available for reallocation.
