Quick reminder regarding eSNAPS:

When completing your project application in eSNAPS, *please do not hit the submit button at this time*. For the 10/20/15 RFP deadline, we only need a PDF copy of the application. TCHC Staff will notify you when it's time to hit submit after we conduct the final review in early November.

To get a copy of the PDF, click "Export to PDF" on Question 9B, the Submission Summary page.
